

Ramabough Dec^r 26. 1780.

Dear Colonel.

As our Dismission is pretty near
and every Officer is to go home in that Case
I find myself much distressed having none
in this Country, nor any Relation, to depend
upon, my Desire therefor would be to remain
in the Army. If I could have any Expectation
of getting into the Line You would very much
oblige me in acquainting thereof by an Answer
which I hope You will Honour me with.
I am

Dear Col.

Your most obedient and
most humble Servant
L. Peris.

Col. Moore.
