Dr. Col.

I send word Down to get
a Couple a pair of Overalls
which may let him have for
the fellow is naked, and not fit
to be seen in a family —

I wish you'd not forget me
in the Dividend of the Spirit as
I can get none here —

I shall be down in a few
Days the Court. Martial will
not last as long as I expected
from very good Authority I

have great Reason to think
that Hard Money is on the
Carpet. & that not far off
a French Gen^l of very great

Importance being in the place
yesterday from the Eastward, who
has dealt with great dispatch
as is going on to the place —
he was treated by two companies
of our Dragoons from Hartford
as a Guard whose expenses he
paid himself his baggage is
not as yet. Publicly known

we have good news from
Florida, look at my letter
to Gen. Maxwell, as well
as that. Ant. as some other
purporting Melny —

Yours W. H. West
